

treatment recommendations and to fully comply with all conditions of his supervised release.”  
(Docket No. 107, Order).

As reported by U.S. Probation Officer Lisa Capps, Mr. Stokes has had no positive drug screens since August 2013 and has missed no drug screens since this matter was last on the docket in October 2013. Additionally, Mr. Stokes continues to participate in outpatient mental health counseling and medication monitoring for his depression at Centerstone in Madison, Tennessee. Overall, Mr. Stokes has established a satisfactory record of attending his scheduled appointments at Centerstone. There have been occasions when, because of his depression, he has not attended his appointments as scheduled; however, Mr. Stokes communicates via telephone with Centerstone when this occurs. U.S. Probation Officer Capps advises further that Mr. Stokes is complying with all other conditions of supervised release.

In light of the above, the Court finds that Mr. Stokes’ compliance with the conditions of supervised release is now satisfactory, and, with the knowledge and concurrence of the government, Mr. Stokes and his defense counsel, and the U.S. Probation Office, the Court orders that:

- (1) The hearing schedule for April 11, 2014 is cancelled;
- (2) The Summons for Revocation of Supervised Release is dismissed; and
- (3) All existing terms of supervised release shall remain in effect.

It is so **ORDERED**.

Entered this 9th day of April, 2014.
